## IN THIS ISSUE

### ICD-10-CM ENHANCEMENT OF THE INTEGRATED SYSTEM

#### ICD-10-CM ENHANCEMENT OF THE INTEGRATED SYSTEM

Effective October 1, 2015, ICD-10-CM code(s) must be reported on all claims submitted for services provided on or after October 1, 2015. For dates of service prior to October 1, 2015, all claims must have ICD-9-CM diagnosis code(s). If claims have ICD-9-CM diagnosis code(s) for services provided on or after October 1, 2015 or you select an ICD-10-CM diagnosis code for claims associated with services provided prior to October 1, 2015 you will receive an Integrated System (IS) Deny Rule of 'Validate Diagnosis Code' on the FFS2 Claim Status Detail Report (IS 704).

#### For Direct Data Entry (DDE) Fee-for-Service Providers only

The Los Angeles County Department of Mental Health has implemented modifications to the IS that allow providers to select the ICD-10-CM code in the User Interface (UI) of the Outpatient Claims screen for Direct Data Entry (DDE) providers.

DDE providers may select the ICD-10-CM diagnosis code using one of the following three options: 1) search by using the magnifying glass, 2) search by entering the beginning number or letter of the diagnosis code, or 3) enter the appropriate diagnosis code without using any search. Illustrations are provided on the following pages.

### 3. Entering the appropriate diagnosis code

You may also enter the appropriate diagnosis code, based on the date of service without using the diagnosis search.

The screenshot shows a software interface with a sidebar on the left containing 'Options' and 'Work Space'. The main area has tabs for 'Services', 'Payer', 'Client', 'Provider', and 'Advanced'. The 'Services' tab is active. It contains the following fields: Facility Type (11 - Office), Client Amount Paid (0.00), EPSDT checkbox, Emergent checkbox, Date of Service (07/01/2015), Delay Reason (If Applicable), Procedure Code (99999), Modifiers, Service Unit Amount (25), Service Unit (Minutes), Submitted Charge Amount (200.00), and Diagnosis Codes (31401). At the bottom, there is a question 'Are there any other sources of funding?' with 'Yes' and 'No' options, and a 'Cancel' button.

The screenshot shows the same software interface as above, but with the 'Date of Service' field set to 10/01/2015 and the 'Diagnosis Codes' field set to F314. All other fields and the layout are identical.
